

The Greater Atlanta Volunteer Chapter for Canine Companions for Independence needs your support. We are a nonprofit organization that enhances the lives of people with disabilities by providing them with highly trained assistance dogs and ongoing support. Services are free to the recipients, including the specially bred and trained dog, training of the recipient, and regular follow-up services by Canine Companions for Independence professional staff for the working life of the team.

**May we count on your generous charitable donation?  
We are in need of both monetary contributions and  
donated items for our raffle.**

We appreciate our sponsors that span the country and welcome opportunities to build life long friendships. Your sponsorship will be acknowledged in many ways and is much needed. All proceeds from this event will benefit Canine Companions for Independence. Donations will help those disabled people on our waiting list receive an assistance dog and the follow-up services required to ensure the success of the team. Keep in mind that your donation (monetary or in-kind) is tax deductible. Each sponsor level (see back) offers a variety of publicity in return for your contribution.

Thanks in advance for supporting Canine Companions for Independence!
